

WITH A TWIST TAKES OVER THE REINS FROM NORTHCOTE OFFSITE AFTER SEVEN YEARS

With a Twist's Managing Directors Martin Jones and Catherine Byrom, celebrated this week, the successful completion of the management buy-out of Northcote Offsite Outside Catering Division.

Over the past seven years Martin and Catherine have worked hard to instil the highest standards of food and hospitality within the event [industry](#). They have operated at the top end of this growing market throughout this time, consistently challenging and inspiring new ideas resulting in an enviable reputation as a market leader in the Northwest.

"We are so excited about the recent changes. It has given us the opportunity to focus entirely on growing this business to be the only name on people's lips for top quality catering and the absolute first point of call for the North-west leading event planners."

"We have the full support of Northcote Group Company and a strong customer base. We intend to remain loyal to these customers and our carefully selected suppliers, whilst also growing our reputation, geographically and otherwise."

With A Twist promises to deliver. Our purpose built kitchens and tasting facilities will offer our customers a hint of what's to come..... We look forward to seeing you soon.
